

# ICOS

## International Community Organisation of Sunderland

Would you like to become part of an exceptional charity organisation?

Do you like challenges and helping people in need?

Would you like to support charity?

### OUR ACTIVITIES AND CHARITY WORK

We provide a base for education, culture, leisure & recreation, sport, personal development, health promotion and rights.

- English Classes.
- Service for advocacy, guidance, information and advice.
- Information and consultation events for the local migrant and ethnic community.
- Free or discounted courses
- Volunteering opportunities

**ICOS** is a registered charity which offers help to the local community, minority groups and people in need.

**OUR AIM** is to serve the minority and ethnic community in the North East enabling them to lead full, meaningful lives and feel secure and welcomed in the North East of England. We endeavor to ensure greater level of social cohesion and cooperation between different communities in the North East of England.
