The International Society for Ecological Economics

<http://www.ecoeco.org/content/>

The ISEE is organized into different Regional Societies (United States USSEE, Canada CANSEE, European ESEE, India INSEE, Australia and New Zealand ANZSEE, Brazil ECOECO, Argentina and Uruguay ASAUEE, Russia RSEE, Meso-America SMEE, and Africa ASEE).

ISEE is a transdisciplinary scientific society founded in 1989 to advance understanding of the relationships among ecological, social, and economic systems for the mutual well-being of nature and people. The Society publishes a research journal, books, and other materials; holds and sponsors scientific meetings; develops educational materials; and facilitates a voice for ecological economists in public forums.

Society for Advancement of Behavioral Economics

<http://www.sabeonline.org/>
<http://www.usask.ca/economics/SABE/>

SABE, founded in 1982, is an association of scholars who are committed to rigorous economic analysis and are interested in learning how other disciplines—e.g. psychology, sociology, anthropology, history, political science, and biology—further our understanding of economic behavior.

Ewa Gucwa-Leśny – member of Executive Board elected in 2006 for 4-year term

International Economic History Association

The IEHA established in 1960, and unites economic historians from 45 countries in Africa, America, Asia, Europe and Oceania. The seat of the Association is Utrecht. The aims are to maintain and develop personal contacts between scholars interested in economic history and to encourage all forms of research and publications relevant to the development and diffusion of economic history.

Every three or four years the IEHA organizes a World Economic History Congress.

J. Kochanowicz

1998 – 2006 (member of Executive Committee)

Societe Universitaire Europeenne de Recherches Financieres - członek Council of Management
